NATIONAL AND TRANSNATIONAL BUSINESS TRANSACTIONS AND CONTRACTS

ELGHATIT LAW FIRM is legal planner, general counsel, advisor on financial and business related matters as well as in drafting of local and international business contracts. Our lawyers help the contracting partners in finding the right solution for their problems. We have standing experience and practice in rendering advice in licensing and franchise agreements, corporate leasing, transfer of technology, major construction and contracting projects, energy, power and natural resources undertakings, complex real estate transactions and international financing matters. We have carried such responsibilities in connection with major industrial projects e.g. Amreya, JVS with Arab organization for industrialization, the energy project of Ismalia Power Stations and in infrastructure projects like Greater Cairo Metro and other major civil engineering projects e.g. Abul Feda Towers, Cairo Plaza and Bank Misr Towers, moreover project financing of major touristic enterprise e.g. Al Salam Hotel , Nova Park etc

Â

GATT, GATS AND TRIPS

World Trade Organization dispute settlement mechanism is now in place for matters relating to GATT, GATS and TRIPS. ELGHATIT LAW FIRM is currently involved in formulations of international commercial and economic parameters and approaches for issues like counter-veiling, anti-dumping and anti-monopoly.

COMPANY AND INVESTMENT LAWS AND TAXATION

We provide legal, financial commercial strategic planning and advice for establishing, corporate structuring and reorganization. This includes joint ventures and partnership agreements, mergers, consolidations, buy-outs and agreements for the establishment of stock companies with limited liability etc.. Moreover, we counsel in tax planning and ramification including avoidance of double taxation.

POLICY ON DISPUTES

Senior Partner Prof. Dr. Aly Hamed ELGHATIT is intimately involved as Arbitrator, Chairman, Co-Arbitrator, Sole Arbitrator and Counsel in arbitral cases both in AD-HOC context under UNCTRAL rules and within international institutional context (under ICC, ICLA and ICSID). He also acts as mediator. Moreover the ELGHATIT LAW FIRM offers ADR services to our clients including commercial renegotiations, Mediation, 'Mini-Trial' proceedings ... etc.

We represent clients in negotiation, renegotiations of major long-term contracts and agreements, and in disputes avoidance and resolutions of disputes relating to commercial, civil and administrative law and constitutional law as well as in the area of international judicial process in court litigations as well as in arbitrations and ADR.
